

The Monticello Unity Community Players
invite *EVERYONE* to our First Ever
Inclusive Performing Arts

CALL OUT for our production of:
"Once Upon a Playground"

By Samuel French

Performance will be in late April or early May
at the Altherr Nature Park Amphitheater

After tomboys on a playground cruelly reject a girl with a funny nose because she is different, each expresses her inner fear of being different. The girl with the funny nose discovers a boy like herself. He offers friendship, hope and illusion.

This comedy portrays the cruelty of youth as a total theatre experience, blending realism with such theatrical devices like stylized movement, choral chants and expressionism.
